Moving Encounters, Exploring the World

Since 1992, 145 countries, 6 continents

An industry leader for nearly 30 years, Classical Movements is happy to now offer additional tours for individuals and small groups, enabling lovers of the arts to travel around the world and experience the finest of local culture.

Just next-door to the more famous province of Tuscany, the stony hills of Umbria offer a unique appeal to the discerning traveler. From world-famous spots like Assisi to tiny towns like Foligno, the region boasts an impressive range of culinary, visual, and artistic delights. Visit the Carpina Valley, famous for truffles, and taste wine in Orvieto. Italy is more than just a culinary capital, however. Visit some of the most beautiful churches in the world, most untouched since their construction in the height of the Renaissance. Let your spirit rest for a week in the regional capital Perugia. Let the hilltop towns of Umbria, that once protected their citizens from invasion, embrace you with characteristic Italian warmth and hospitality.
