Scandinavia and the Baltic States

Departures from Fall 2020

Moving Encounters, Exploring the World

Since 1992, 145 countries, 6 continents

An industry leader for nearly 30 years, Classical Movements is happy to now offer additional tours for individuals and small groups, enabling lovers of the arts to travel around the world and experience the finest of local culture.

Skol! From the narrow streets of Stockholm and Helsinki to the rich forests of Estonia, the Baltic and Scandinavian states are full of obvious and world-famous natural beauty. But the culture of these countries, unique and unparalleled, really drives home the value of travelling to the region. Latvia, famous for a rich and ancient tradition of choral music and folk songs, and Lithuania, home to a folk art practice that reflects centuries of migration and intermingling, are often overlooked by less discerning travelers. Find yourself astonished at the art, architecture, and music of a corner of the world you will never forget.
