France

Departures from Fall 2020

Moving Encounters, Exploring the World

Since 1992, 145 countries, 6 continents

An industry leader for nearly 30 years, Classical Movements is happy to now offer additional tours for individuals and small groups, enabling lovers of the arts to travel around the world and experience the finest of local culture.

The southern Côte d'Azur of France is a storied vacation spot, home to some of the world's most exclusive resorts, beaches, and islands. But tucked away in a bend in the coastline is a landscape unlike anywhere else. Your week in Provence will be spent in the city of Avignon, which has seen everyone from Roman emperors to wayward popes pass through its ancient gates. Take day trips to geographical marvels like the Verdon Gorge and the Camargue, a marshy area famous for its native ponies, folk music, and even unique dialect. Trips to Aix-en-Provence and the surrounding countryside will give you a taste of the region's distinctive flare. See for yourself why the lavender fields, soaring cliffs, and leisurely beaches of Provence have captured the world's imagination.
