Moving Encounters, Exploring the World

Since 1992, 145 countries, 6 continents

An industry leader for nearly 30 years, Classical Movements is happy to now offer additional tours for individuals and small groups, enabling lovers of the arts to travel around the world and experience the finest of local culture.

Vamos al Sur! Today, the Andes are in the heartland of Latin America. But before European colonization, great rulers lorded over vast empires, and gazed down from vantage points high above mountains, farmlands, and coastlines. Follow in their footsteps, as you marvel at Incan ruins hidden in lush valleys and cast your eyes upward at towering stone cathedrals. You will get a firsthand experience of the indigenous customs of the land and learn the ancient practices of those whose ancestors settled the region, while also experiencing the finest of modern local offerings. The colors, sights, sounds, and tastes of the Andes are famed around the world. Don't hesitate to experience them for yourself.
