Jambo! The savannas and nature preserves of East Africa are undeniably some of the most well-known destinations in the world. Masai Mara, Ngorongoro, and, of course, Serengeti are names automatically associated with lush natural beauty and breathtaking diversity of flora and fauna. Americans will know this region from its iconic portrayals in popular culture, but there is much more to Kenya and Tanzania than lions, elephants, and giraffes. Your tour will start in bustling Nairobi, the capital of Kenya, and move on to no less than five famous nature preserves. Witness the human beauty of the region, as well as the iconic animals and famous safaris. From cooking to traditional dance to conservation, get a full picture of life in the incredible countries of Kenya and Tanzania.
