Departures from Fall 2021

Moving Encounters, Exploring the World

Since 1992, 145 countries, 6 continents

An industry leader for nearly 30 years, Classical Movements is happy to now offer additional tours for individuals and small groups, enabling lovers of the arts to travel around the world and experience the finest of local culture.

Once the realm of mighty Spartan emperors and run through by fierce battles, the Peloponnesian peninsula of southwestern Greece now sits like a peaceful but vibrant escape from the tourist hotspots of the coasts further north. Nestled in the waters of the Aegean, the peninsula sits barely connected to the mainland and is a magical place unto itself. Settle into the ancient town of Nafplio, built up against a ridge and overlooking a tiny bay of breathtaking blue. Take day trips to the ruins of Mycenae and Epidavros and marvel at the history of the region that so shaped our modern world. Get a chance to learn the basics of real Greek cooking and take a private boat trip to the island of Hydra. You'll get a look at the part of Greece that lies off the beaten track. Take your own personal odyssey to serenity.
