Moving Encounters, Exploring the World

Since 1992, 145 countries, 6 continents

An industry leader for nearly 30 years, Classical Movements is happy to now offer additional tours for individuals and small groups, enabling lovers of the arts to travel around the world and experience the finest of local culture.

While the yodelers of yore may not be heard too often anymore, the peaks and valleys of the Swiss Alps still carry all the majesty (not to mention acoustics) that they always have. The lakeside town of Interlaken is your home base for the week in this centuries-old vacation region that still manages to keep its distinctive historical charm. Feel the mountain breezes as you take excursions on sky-high train lines, cruise the cool waters of Lake Lucerne, and visit a real working farm to get an intimate sense of the humanity of this world-famous region. Get a breath of fresh air in Switzerland, the crystal crown of Europe.
