Departures from Fall 2021

Moving Encounters, Exploring the World

Since 1992, 145 countries, 6 continents

An industry leader for nearly 30 years, Classical Movements is happy to now offer additional tours for individuals and small groups, enabling lovers of the arts to travel around the world and experience the finest of local culture.

Namaste! From Mumbai to Jaipur and New Delhi to Agra, the second-most populous country in the world stretches over a vast geographical and cultural range. Experience Indian cuisine and religion firsthand, with private workshops led by master practitioners in India's famous culinary tradition and time-honored spiritual practices. Immerse yourself in the culture of the sub-continent, which is characterized by its own centuries-old music and dance forms, but plays host to a rising love and practice of Western art music. See tigers and elephants up close, gaze at ancient monuments, but above all, soak up the sights and sounds of this extraordinary nation at the other side of the world.
